

We are starting 2007 off as busy as we have ever been. The First Tee of Denver staff members will be working in 10 different schools providing around 20 instructional hours. We are particularly excited about working with our newest school, Grant Middle School, starting on Monday, January 22nd.

Schools that we are currently programming in:

Ashley Elementary ★ Barrett Elementary ★ Columbine Elementary (multiple programs)
 Pioneer Charter (multiple programs) ★ Centennial K-8 (multiple programs) ★ Lake Middle
 Stedman Elementary ★ Annunciation Charter ★ Grant Middle ★ North High

Other schools we plan to add later in the spring include:

Philips Elementary ★ Harrington Elementary

Spring

We have made some changes to our main instructional sessions that we hope will allow us to provide better service, along with giving us the ability to provide programming for more participants. The most obvious change is that we have moved our evening instructional sessions from the middle of the summer to the spring and fall. We are looking forward to the following classes which will begin the last week of April:

- ★ Girl's Night Out Instructional Session - Tuesdays 6:00-7:30 @ City Park G.C.
- ★ Parent Junior Night - Wednesdays 6:00-7:30 @ Willis Case G.C. (with every third week being @ Harvard Gulch G.C.).
- ★ Parent Junior Night - Thursdays 6:00-7:30 @ City Park G.C. (with every third week being @ Harvard Gulch G.C.).

Changes to Parent Junior Night Format

Starting this spring we will be changing the format for our Parent Junior Night classes. Based on the feedback we have received from participants we will have two instructional sessions at the scheduled golf course followed by one play session at Harvard Gulch G.C. Then we will have two more instructional sessions followed by the final week play session at Harvard Gulch G.C. We will also be adding a club making portion to the class in which both participants will get to make a golf club that is fit to them.

Register Early for Spring & Summer Classes

The First Tee of Denver is looking forward to implementing a new program registration plan in which people can come to the courses on the dates below to register for the spring, summer, and fall classes they want.

You can register **in person** on the following dates:

- ★ March 23rd at City Park Golf Course from 5:00-8:00 P.M.
- ★ March 28th at Wellshire Golf Course from 5:00-8:00 P.M.
- ★ March 30th at Willis Case Golf Course from 5:00-8:00 P.M.

Please note that you do not have to register at the same golf course you plan to take classes. We hope this will help our participants get more of the necessary information while ensuring that the kids get into the right class for them. As a bonus we are offering a discounted rate to anyone who attends these sign-up sessions. After these sessions are held we will open up registration by phone, drop-in, and email.

Caddie Program

This season The First Tee of Denver will introduce its brand new Caddie Program! We hope to help aspiring college students make more money, earn scholarships, and learn about business while helping to return public golf to its historical roots.

At three of the Denver City courses you will be able to get a caddie just as easily as you get a tee time. Some say that if you have never played golf with a caddie, you have never truly played golf. For more information about being a caddie, or using a caddie, please contact Paul Crossland by phone at: (303) 370-1562 or by email at: Paul@thefirstteeofdenver.com

2006 Holiday Party

The fourth annual holiday party was a great success! Every student received a binder jam-packed with school supplies. More than 200 kids, family and community members came together to celebrate the accomplishments of the kids. Parents were able to meet volunteers, teachers and staff members who gain so much from their experiences with the children throughout the year. Thank you to everyone who made donations of prizes, supplies, and your valuable time. It couldn't have been done without everyone's contribution.

Participant Corner

Hi, my name is Jose Valadez and I'm a 6th grader at Pioneer Charter School. I love The First Tee of Denver because it's very fun. Here you are able to learn and play golf. Since I have been in the program, I have learned so many things about the game of golf. For example, I've learned about the different types of golf clubs and the different parts of the golf club like the Shaft, head, and grip. My funniest day by far has been The First Tee of Denver's Christmas party. It was really fun because they gave away presents and prizes. There was tons of food and delicious drink. We were able to decorate pictures that we took with Santa and play other fun and exciting games. The First Tee of Denver rocks.

Mark your calendar for some exciting events in 2007:

- ★ Applications for the Wal-Mart First Tee at Pebble Beach open are available - February 1
- ★ Golf Expo at the Merchandise Mart on February 9 - 11 - Booth 1222
- ★ New open house registration 5-8 PM
 - ★ City Park - March 23
 - ★ Wellshire - March 28
 - ★ Willis Case March 30

You may register for any course at any open house location.
